BOARD MESSAGE

Dear Members

It's been a busy time for the UICC. Our Board of Directors enthusiastically welcomed members to the General Membership Meeting in June, and hope to see many more of you at the July 26th General Membership Meeting. The meeting will start at 7:30 pm and you are most welcome to come early to share in tea, coffee and conversation with your Board of Directors. Better yet, come for dinner! We will all be in the dining room!

We have seen some exceptional months for banquets. There is also some increase in restaurant diners, but more are always needed. For those of you who haven't dined at the Center recently, we encourage you to try the delicious, reasonably-priced meals. Our new chef is receiving rounds of applause! The "fixed price" dinners are a real bargain. Come and bring your friends and families to enjoy an evening at the Center.

An historic joint Board meeting of the UICC Board and the ICCB Board was held on July 10th at the Center. As many of you know, the ICCB is our non-profit partner dedicated to supporting the UICC in fundraising and cultural efforts. Did you know that five of the UICC Board members are now actively serving on the ICCB Board? All members of both Boards are very excited about coordinating support for our Center. The input of members to both Boards is a "must". Interested members are encouraged to start by attending the UICC General Membership Meetings. This is YOUR center and all of us, working together, will help it to be an attractive, enjoyable gathering place for our community and friends. Both Boards agreed with the strong recommendation of the Center's Audit Committee to bring in an efficiency expert to conduct a complete review of the Center's procedural activities as they affect spending. Details will be forthcoming.

The Center will be closed from August 7-21st for our annual summer cleaning. There is always room for volunteers in the cleaning effort. Contact the Center Office should you wish to volunteer some time to help.

In July, our Board President had an opportunity to talk with members of the Ulster Club. The Board hopes that other clubs will give the Board President or other Board members a couple of minutes to talk at one of their future meetings. Keeping the lines of communication between the Board and the Clubs open is critically important. Your Board needs to hear from you!

As a very important last note, we are launching the pledge drive for the Center within the next two weeks. The physical well-being of the Center wholly depends on the contributions of its caring members. Your continued support is critical to the life of our Irish Center. Please look for the pledge letter in the mail, make out a check and send it back to the Center in the addressed envelope. There will be a strict accounting of the monies received so that you will know where your contributions go. Our goal for our annual pledge drive is \$60,000. This year we are implementing designated categories of giving. We encourage you to show your support for the Center by reaching for one of the shamrock categories.

Heartfelt thanks to each of you for your much-needed and continued support of our Center.

In Unity,
Your UICC Board of Directors
