BOARD MESSAGE

Dear Members,

"March comes in like a lion and leaves like a lamb." The old adage refers to the weather, but, if one were to apply the lion and lamb imagery to the United Irish Cultural Center, one would have to say that March came in like an energetic lion and remained for the whole month! The cornerstone of the month of March for our Irish community was the Irish heritage celebrations surrounding Saint Patrick's Day. In true form, the Center was packed on both days of the holiday weekend. The library book sale was a great success thanks to the work of a dedicated group of volunteers. The Irish Cultural Centre of California, the UICC's sister foundation, benefited from the sale and also added to its coffers with the ticket proceeds of the very well attended comedy night at the Center on March 2nd. March was highlighted with a record-setting number served by our restaurant and banquet facilities. The crowning glory of the month was on March 21st when our United Irish Cultural Center was honored to be designated as the site for a grand reception for the Irish Prime Minister, Taoiseach Enda Kenny.

An incredible, meaningful gift has been presented to the UICC which will be used with respect and significance for generations to come. The Ladies Auxiliary's final donation to the UICC is a beautiful, very special chalice to be used when mass is celebrated at the Center. Now a lasting reminder of the Ladies Auxiliary's good works will reoccur with each mass.

The present month of April has been designated as "Membership Month" by your Board of Directors. Every member will receive a letter in the mail regarding membership. At the present time there are close to 250 members who have paid dues for the 2013-2014 year. We have set a goal of 1000 dues-paying members by the end of April. While our dedicated membership committee (Mary O'Sullivan and Orlaigh Campbell) continues to contact present members, all present UICC members are asked to help spread the word to potential new members. There are no initiation dues for those joining the UICC during this month. By simply paying the small dues and verifying their eligibility as members of the Irish community, there is the goal gaining well over 150 new members.

This month's general membership meeting will be held Thursday, April 25. There will be a vote taken on bylaws updates and changes. The changes were discussed at the March general membership meeting and copies of the bylaws are available to all in the library and the UICC office.

There has been an incredible surge of interest in the United Irish Cultural Center. The unity of purpose felt among all (volunteers, staff, Board of Directors and the general membership) combined with the improvements made at the Center during the past year, along with some carefully-planned changes in the dining room menu, as well some outstanding new events for all, point to the fact that we have a Center of which we can truly be very proud. Things will continue to improve with time and the renewed unity of purpose which is felt in every Center activity. It is fitting to end this message pointing out that together, we are truly the UNITED Irish Cultural Center.

Judith M. Kell, *President*

APRIL "The sun was warm but the wind was chill. You know how it is with an April day.
When the sun is out and the wind is still, You're one month on in the middle of May. But if you so much
as dare to speak, a cloud come over the sunlit arch, And wind comes off a frozen peak, And you're two
months back in the middle of March."

MEMBERSHIP NEWS

Congratulations to SF Fire Chief **Joanne Hayes-White**, Grand Marshall of the 162nd St. Patrick's Day parade in San Francisco.

Thank you to our partners at Java Beach at the Zoo, **Pat & Buffy Maguire**, for another successful Block Party/GreenFest on St. Patrick's Day - it was loads of fun-even the Sunset weather cooperated!

Mark Your Calendars Our Famed **San Francisco Giants** are hosting an Irish Heritage Night on April 8.

Peggy Mylett and family were closely watching the Academy Awards, cheering for the movie "Argo". Peggy's first cousin, John Chambers, portrayed by John Goodman who did a fairly accurate job at capturing the essence of the famed makeup artist. Chambers, who died in 2001, never disclosed his work with the CIA to anyone in the family. Peggy, daughter Maureen, and son Tom were invited by Warner Brothers as guests for the Mill Valley Film festival premiere of the film last October -- all were delighted that "Johnny's film" won the Oscar for best picture.

Theresa Storlie, a Genealogical Project Manager, is looking for assistance from our members with a Genealogical Project regarding the Mahoney Family. She is looking for information specifically on an **Eileen M. Mahoney**, who resided in San Francisco during the 1980's to the late 1990's, using a PO Box and an address on Cabrillo St. It is believed that she has either passed away or moved from the area (to Ireland?). If you have any information, please contact Theresa at 916-358-8877 or email tstorlie@cappacgroup.com. The family is hoping to finish the project by April 30 so your quick response is greatly appreciated.

Thank You from **Jerry Cassidy** and the Cassidy Family for all the mass cards, prayers and phone calls. It is deeply appreciated through this difficult and challenging time. He is on his way to a full recovery and will be back soon to pick up where he left off. Fortunately the prostate cancer was caught early - so please get checked or tell someone you know to get checked.

Spotlight on the Volunteers

Job well done to the United Irish Societies of San Francisco, under the leadership of **Diarmuid Philpott**, for organizing another wonderful St. Patrick's Day parade - **honoring Celtic Women**

PATRICK J. DOWLING LIBRARY NEWS

BOOK SALE

The book sale of duplicate books on St. Patrick's Day was a huge success – thanks to the library's supporters and to a great group of volunteers who worked for months to get the books ready for sale. The profit was in excess of \$1200. If you were not able to attend the book sale but are interested in purchasing books, we are in the process of preparing a list of books still available for sale, which will be posted at the library and online.

PICTURE OF IRISH PIPERS BAND

Patricia D'Arcy has donated a wonderful picture of the Irish Pipers Band from the mid 1930s for display in the library. We are still trying to identify all the pipers. Stop by the library and check out the picture and see if you can help us identify them.

O'Kief, Coshe Mang, Slieve Lougher and Upper Blackwater in Ireland. Albert Casey (ed.) Alabama: Knocknagree Historical Fund, 1952-1967. 13 volumes.

If you or your ancestors came from north-west Cork or east Kerry, the area known as Sliabh Luachra, you might want to check out Albert Casey's huge compilation of genealogical material from the area, which is in the library's collection. There are transcriptions of parish registers, reprints of Smith's histories of Cork and Kerry, a reprint of an edition of the Annals of the Four Masters, transcriptions of gravestone inscriptions, copies of marriage and death notices from newspapers and Casey's own speculations on the origins of the Celts and on the relationship of people on the west coast of Ireland to other European peoples. Although the book has its faults, it is an extremely valuable resource for anyone doing research about the Sliabh Luchra area. Prior to using the book for genealogical research, you should be prepared by reviewing the online index. For more information, there are several online sources including:

'Great Hunger' Memorial

Thursday, April 4, 2013, 7:00 PM

United Irish Cultural Center, 2700 45th Ave, San Francisco

In Ireland, the Great Famine was a period of mass starvation, disease and emigration between 1845 and 1852. A public meeting will be held on the 4th April at the Cultural Center to establish a committee to drive forward the creation of a Hunger memorial in San Francisco.

The format of the meeting is as follows:

- A well known Historian will discuss the historical context of the 'Great Hunger' in Ireland.
- Margaret McPeake, PhD, will speak on the impact the Famine had on Irish America and examine a number of the current famine memorials in the US.
- We will elect a representative committee to drive the project forward.
- Music and light refreshments.

We encourage everyone who is interested to attend and participate in what should be a lively debate.

Chífidh muid ansin sibh! - We'll see you there!
