BOARD MESSAGE

Dear Members,

Warm wishes to all of you as we make our way through the chilly weather. The warmth of the Center is here for all of us, literally and figuratively! The "dues letter" has gone out to each of your households, and although it is early, many of you have responded already to the call for the April 1st dues with your checks during the past week. Should you have any questions in regard to the dues structure and payment, there will be two meetings this month (February 7th at 7 pm and February 21st at 8 pm). Also, the UICC Office staff is ready to answer your questions as well. There will be another letter going out to you soon with a dues form to return. It is essential to note the incredible work of Mary O'Sullivan, Membership Committee Chair, in the creation and use of membership data during the past years. Her voluntary undertaking of this critical work has indeed informed the Board of Directors and positively affected the process of membership outreach.

Please know that your Board of Directors is dedicated to bringing new life to our Center through the support and resources that will be made available through the predictable, steady stream of support that will come from member dues. For the reasonable price of dues, members will be able to enjoy a renewed Center that will have the resources to meet emergency repair and improvement goals, and will be able to offer members truly superb dining experiences in the dining room at a reduced price as well as many additional member benefits along the way. The dues paid by members insure that future generations of our members will continue to follow the dreams of our founders for the Irish community in the Bay Area. The use of all dues monies will be made transparent in future months so that members will know that their dues are put to productive use. Activity will abound at the Center in 2013, we will prepare for our 40th Anniversary in 2014, and there will be appealing activities for members of all ages. It is the goal of your Board of Directors to have a constant buzz of activity in the Center on all open days and evenings! The "good days" are coming back with much, much more added.

The importance of volunteers at our Center cannot be overemphasized. There are plans now to recruit and coordinate all volunteer efforts to utilize the incredible wealth of expertise in our UICC membership to enhance all areas of activity. More information on the creation and coordination of Center volunteer activities will be forthcoming. A few examples of volunteer activity: the work of our building committee (Martin Falvey, John Manning, Jerry Cassidy, Joe O'Leary) can be readily seen in the continuing renewal work done in the St. Francis Room as well as in other critical places in the Center; hosting duties undertaken by Tom Clune and Terry Leonard in our dining room; and Gerri Harrington answering phones weekly. Volunteers among the SF Pipers have trimmed the trees on the north side of the Center and in the parking lot. Special thanks for this work, estimated at \$1500 by an outside company, to Mike Bowler, Robby Boyd, Joe O'Leary, Mike Leboeuf, John Tucker, Andrew Ryan, Wendy Young, Steve Harrington, David Winter, Lisa Graves, and Jeff McKenna. All of these are shining examples of the volunteer activity upon which the Center depends. We have other opportunities within the various committees that exist and are open to the creation of new committees to address additional Center needs and projects.

Together, in unity, we ARE the Center!

Judith Kell, *President*

PLEDGE FOLLOW-UP

Additional UICC pledge contributions were added to bring the 2012 Pledge Drive to the grand total of \$52,000 during the last two months of 2012. The following contributions were gratefully acknowledged by President Judith Kell with personalized letters as were earlier contributions. Pledge monies greatly helped in the replacement of the flooring and the heating and air conditioning in the St. Francis Room, a costly undertaking.
