UICC GENERAL MEMBERSHIP FUND:

The United Irish Cultural Center was founded in 1974 by a dedicated group of the Irish community in San Francisco. The Center has provided a venue for many gatherings over the years; both social and business orientated, and will continue to do so for many years to come. Our location at 45th Avenue, near Ocean beach, presents the building with many maintenance difficulties. The funds derived from your membership subscription will go toward the expense of replacing and repairing many components of the building, and maintaining all aspects of keeping the building and the UICC intact ad the Bay Area destination for celebrations with friends and family and “the center for all things Irish” for future generations of members.
